

What Matters for Health: A Unique Community Forum

Between September 29th and October 16th, more than 800 people signed up to take part in **What Matters for Health** (<https://communityplanit.org/healthmatters>), an online game that provided an opportunity for people who live and work in the neighborhoods of **Dorchester, Jamaica Plain, Mattapan, Mission Hill, and Roxbury** to share ideas about how to improve health and well being in the community.

We want to **share what we learned** from the game with residents and organizations that are connected to these neighborhoods. This special event will provide an opportunity to learn about ideas players have for community health improvement, and **continue talking about these ideas**. Participation will **help shape future investments** made by **Brigham and Women's Hospital** to improve overall health and well-being in the neighborhoods listed above.

Raise your voice for health and tell us what matters to you!

BRIGHAM AND
WOMEN'S HOSPITAL

I have a plan

Me too!

I have an idea!

I disagree

Mine's better

But what if...
